PROFILE

I am a 2nd year Information Technology student passionate about web development, programming, and UI design. I enjoy learning new technologies and improving my skills through school projects. I have experience creating websites using HTML and CSS in Visual Studio Code, and I am continuously working to become a better developer.

CAREER OBJECTIVE

To continue developing my technical and creative skills through academic projects, practical web development work, and future internship opportunities while contributing to projects that create useful and user-friendly digital experiences.

SKILLS

HTML	Web development
CSS	Web development
Java	Programming
C#	Programming
VS Code	Development
GitHub	Version control
Canva	Design
CapCut	Content editing

EDUCATION

Eastern Samar State University

Bachelor of Science in Information Technology
School Year 2026–2027 · 2nd Year

Taft National High School

Completed Senior High School

San Isidro Elementary School

Completed Elementary Education
